### GENERAL DESCRIPTION

These high performance, medical grade nitrile gloves are powder and latex free, with a micro-roughened grip. The preferred choice for latex sensitive individuals, they provide superior comfort and strength, with unsurpassed tactile sensitivity. Perfect for medical and dental professionals, childcare, and eldercare, and also great for industrial, janitorial, or agriculture applications. 100 gloves per box, 10 boxes per case.

**NITRILE WARNING:** Components used in making nitrile gloves may cause allergic reactions in certain individuals.
