GENERAL DESCRIPTION

These extra strong (13 mil thick) and extra long (12") medical grade gloves provide added protection for the wrist and lower forearm. GlovePlus HDs maintain excellent sensitivity while being twice as thick as standard latex gloves. Perfect for use in automotive, industrial, manufacturing, janitorial, EMS and medical applications. 50 gloves per box, 10 boxes per case.

LATEX WARNING: This product contains natural rubber latex which may cause allergic reactions in certain individuals.
