Specifications Sheet

AMMEX

### GENERAL DESCRIPTION

GlovePlus medical grade, powder free, low protein gloves are a superb choice for professionals in a variety of fields. GlovePlus' polymer formulation offers comfort and enhanced dexterity. Their micro-roughened surface provides an excellent grip, and their reduced protein level is due to an extended leaching process. Chlorinated and perfect for automotive, manufacturing, janitorial, painting, food service, health care, child care, and dental. 100 gloves per box, 10 boxes per case. Five sizes (XS-XL).
