

# TRANQUILITY™

## POWDER-FREE WHITE NITRILE STANDARD EXAMINATION GLOVES

**Recommended for use in the following industries:**

Healthcare / Dental / Industrial Safety / Laboratory

### Rejuvenate your hands with Tranquility™ gloves!

For the perfect balance of comfort and protection, choose **Tranquility™** white nitrile. **Tranquility™** gloves are latex-free and contain no natural rubber proteins. The glove of choice for individuals that require a soft, thin, comfortable glove for everyday use. **Tranquility™** gloves conform to the hand allowing for excellent tactile sensitivity and grip. **Tranquility's** compact box size saves on storage requirements.

### Recommended for use when:

- A latex-free solution is required, at a value price
- Enhanced comfort and tactile sensitivity are a must
- Everyday use of small instruments demands superior wet and dry grip

**NOT MADE FROM NATURAL RUBBER LATEX**
