## Touching the Lives of Others

**ColorTouch® Pink** latex gloves from Microflex deliver medical-grade barrier protection with consistent comfort and quality in every box. Made from high quality, polymer-coated latex, **ColorTouch® Pink** latex gloves go on easily and wear comfortably. With relaxing all-day comfort and a wonderful cause attached to its sales, **ColorTouch® Pink** latex gloves are a worthwhile change from ordinary hand protection.

**ColorTouch® Pink** latex gloves from Microflex are more than great hand protection, they are a product you can be proud to use every day, as your purchases directly support The Breast Cancer Research Foundation® in their search for a cure to breast cancer.

- Powder-free premium latex
- Polymer-coated for easy donning
- Fully textured for more secure grip
- Relaxed comfort for reduced hand fatigue
- \$1 from each case sold donated to The Breast Cancer Research Foundation®
